ABOUT THE COLLEGE

Tai Golwalkar Mahavidyalaya, Ramtek (TGMR) is a private, coeducational liberal science college running by prestigious Shriram Education Society, located on a 5-acre campus in the neighborhood of Ramgad Hill at Ramtek. The college offers graduate programs. Students come from various villages nearer to Ramtek. Studying in TGMR promotes innovative, creative and independent thinking. You'll learn

independent thinking. You'll learn to work as part of a team, to communicate effectively with others and to develop the practical skills and intellectual abilities needed for global success. The college also places significant emphasis on teaching- learning and research. TGMR has its own beautiful buildings in Ramtek, new as well as old. It is set in 5 acres of grounds. Students take admission from all the communities living nearby villages. The atmosphere of the college is relaxed, devoid of social pressures, but with unambiguous ambitions towards academic and extra-curricular success. At B.Sc. first year we aim to admit 120 students in Science, 120 students in Home Science and 30 students in BFD, who demonstrate academic talent and commitment, entirely on merit and irrespective of social or ethical background. We also welcome applications from students with disabilities. TGMR is able to provide help to students are having financial problems. There are annual tutorial prizes for the most promising and successful students.

All undergraduates can live in college for the entire duration of their timetable. The college rooms have superb views, and all have access to Washroom facilities nearby.

There is large no. of books available in the college library, with the qualified librarian. The college has spacious auditorium. Our computer facilities for students are outstanding. We have our own professionally maintained grounds for football, cricket and hockey.

We are in mission mode, and have created a facility for achieving excellence in education through the application of basic sciences with spacious and sprawling campus, healthy premises, excellent play ground, auditorium hall, library with rich collection of books. The college will soon become well equipped with audio visual facilities, language laboratory, students facilities centre, science laboratories and well setup computer lab.

Three years of science education at TGMR will not only earn a degree but will transform student's personality, empowering them to lead a successful life. The college endeavors to fulfill its mission through its various limbs such as internal quality assurance cell, career guidance cell, women cell, science education society, Alumini association, parent teacher forum, National Social Service (NSS) etc.

President Message: MRS. KANCHAN N. GADKARI

I have great pleasure in expressing my thoughts as the Acting President of Shriram Education Society. Education is a process by which a person's body, mind and character are formed and strengthened. It is the bringing of head, heart and mind together-thus enabling a person to develop an all round personality by identifying the best in him or her. It is a humanizing process.

TGSC is being groomed with the mission in the background. A variety of academic, aesthetic, athletic, cultural and social activities are synchronized into a single academic faculty. It is an ambitious endeavor to impart education in an innovative stress-free manner and to encourage a spirit of challenge and competitiveness. I welcome to you to this unique family and look forward to your valuable association with us for better tomorrow.

I convey my good wishes to all the students and wish them a happy and enjoyable time in our Institution.

The Secretary's Stance:

As a Secretary of Shriram education Society, Ramtek, I feel honored to welcome the students from different domains to our institute Tai Golwalkar Mahavidyalay, Ramtek (TGMR) that take initiatives to improve student's overall performance by various means and motivate them towards achieving their dreams on the grounds of excellence.

Learning is a lifelong process that can be fulfilled when the mind is open and the individual is willing to work hard on. Our students are provided with every opportunity to experience the joy of learning in the classroom, on the stage, in a debating arena and in the sports field. With a wide array of academic and co-curricular activities each student is encouraged to show his/her skills and talents.

We are sure that the blend of academics and activities will produce responsible, upright and bright young boys and girls ready to face the challenges of life.

Principal Desk: DR. RAJESH N. SINGRU

Dear Parents & student Your success is our strength

My primary motivation as a Principal has been to prepare our students to be world ready. The heart of my concerns has always been the cultivation of good character, the development of life-long skills and competencies and the building of good citizens. Tai Golwalkar Science College, Ramtek (TGMR) is a special place, where the student, parents, teaching and non teaching staff work together with a common mission and shared goals to prepare our children to be productive citizens of the 21st century. 21st century belongs to highly skilled technical manpower with exceptional knowledge and creative thinking abilities.

Being as principal of Tai Golwalkar Science College, Ramtek (TGMR), I want to thank you for taking the time to get to know more about this Educational Institution. The executive board members, committee members, and supporters of Shriram Educational Sanstha are dedicated to enhancing the appreciation of all the staff at any time, their support and resources that are provided to me, my staff, and our students has been amazing. Being the educational leader of this college, I can tell you that my most important goal is to make sure that our students are receiving a world-class education and the instruction in a powerful and dynamic. The TGSC is committed to improve the teaching and learning taking place at every day.

Parents, we are partners in your children's education so please keep an active and open line of communication with all of us at TGMR. It is our commitment to our students that we shall extend the best innovative practices in every sphere of the students. No stone will be left unturned to ensure our children reach the next milestone with great confidence, and self esteem. Here's wishing everyone a significant and remarkable journey ahead!

प्रिय समस्त विद्यार्थी वर्ग

कायम स्मरणात असू घ्या, प्रार्थना देवाला प्रसन्न करण्यासाठी नसते तर स्वतःला प्रसन्न मिळावी म्हणून असते, तसेच नियमित व सतत अभ्यास हा केवळ पालक-शिक्षक यांना संतोष प्रदान करण्यासाठी नव्हे तर स्वतः प्रफुल्लित व प्रज्ञावंत होण्यासाठी असतो.

अखंड ज्ञानप्राप्ती व समग्र व्यक्तित्वविकास यासाठी महाविद्यालयात सर्व तासिकांना आणि वर्षभर संपन्न क्रीडाविषयक, सांस्कृतिक व प्रबोधनात्मक कार्यक्रमांना आवर्जून राहणे आपले कर्तव्य नाही का?

वार्षिक सत्र उपस्थिती ७५ टक्के नसल्यास येत्या वार्षिक परीक्षेचे तुमचे प्रवेशपत्र (हॉल तिकीट) रोखण्याचा व आर्थिक दंड ठोठावण्याचा प्राचार्याचा अधिकार नाही काय? तुम्हाला परीक्षेस बसण्यापासून नाईलाजास्तव वंचित करावे जागेत याची गांभीर्याने नोंद घ्यावी.

आपला हितचिंतक
प्राचार्य
